Discover the strengths and weaknesses of your energy initiative!

Date: Tuesday 11 May 2023 – 13:00-15:00 CEST

>> REGISTER HERE <<

Workshop description

The purpose of this webinar is to get input to a DECIDE self-assessment tool that measures the maturity and scalability of an energy initiative. The tool[1] is meant to help you to better understand the strengths and weaknesses of your initiative. Come along and test your status quo in different categories like technical equipment and upscaling potential.

We look forward to your participation!

Agenda

13:00   **Welcoming by B.A.U.M. GmbH**
- Warm up
- Presentation of the Agenda

13:15   **Input of Joanneum Research Forschungsgesellschaft mbH**
