POWERPOOR efforts to support women in fighting energy poverty

POWERPOOR Energy Supporters and Mentors

More women as energy supporters and mentors.

ACTIVITIES

- Encourage women participation in the programmes. (37-65 %)
- Support women in getting the certification and access a strong network

POWERPOOR tools access and use

More focus on the women-dimension during household visits

ACTIVITIES

- Support women in accessing and using the POWERPOOR tools
- Empower them to act and be part of the energy transition
- Gather new indicators

POWERPOOR actions and empowerment

More women in energy poverty offices and in energy communities

ACTIVITIES

- Awareness and outreach
- Women-centered energy poverty actions
- Identify case studies

Women's role in fighting energy poverty

“Women hold tremendous untapped potential to expand the adoption of **energy solutions** around the world as changemakers, entrepreneurs, trainers, and managers”

Thank you
