

DECIDE to REPLICATE

Information and knowledge exchange

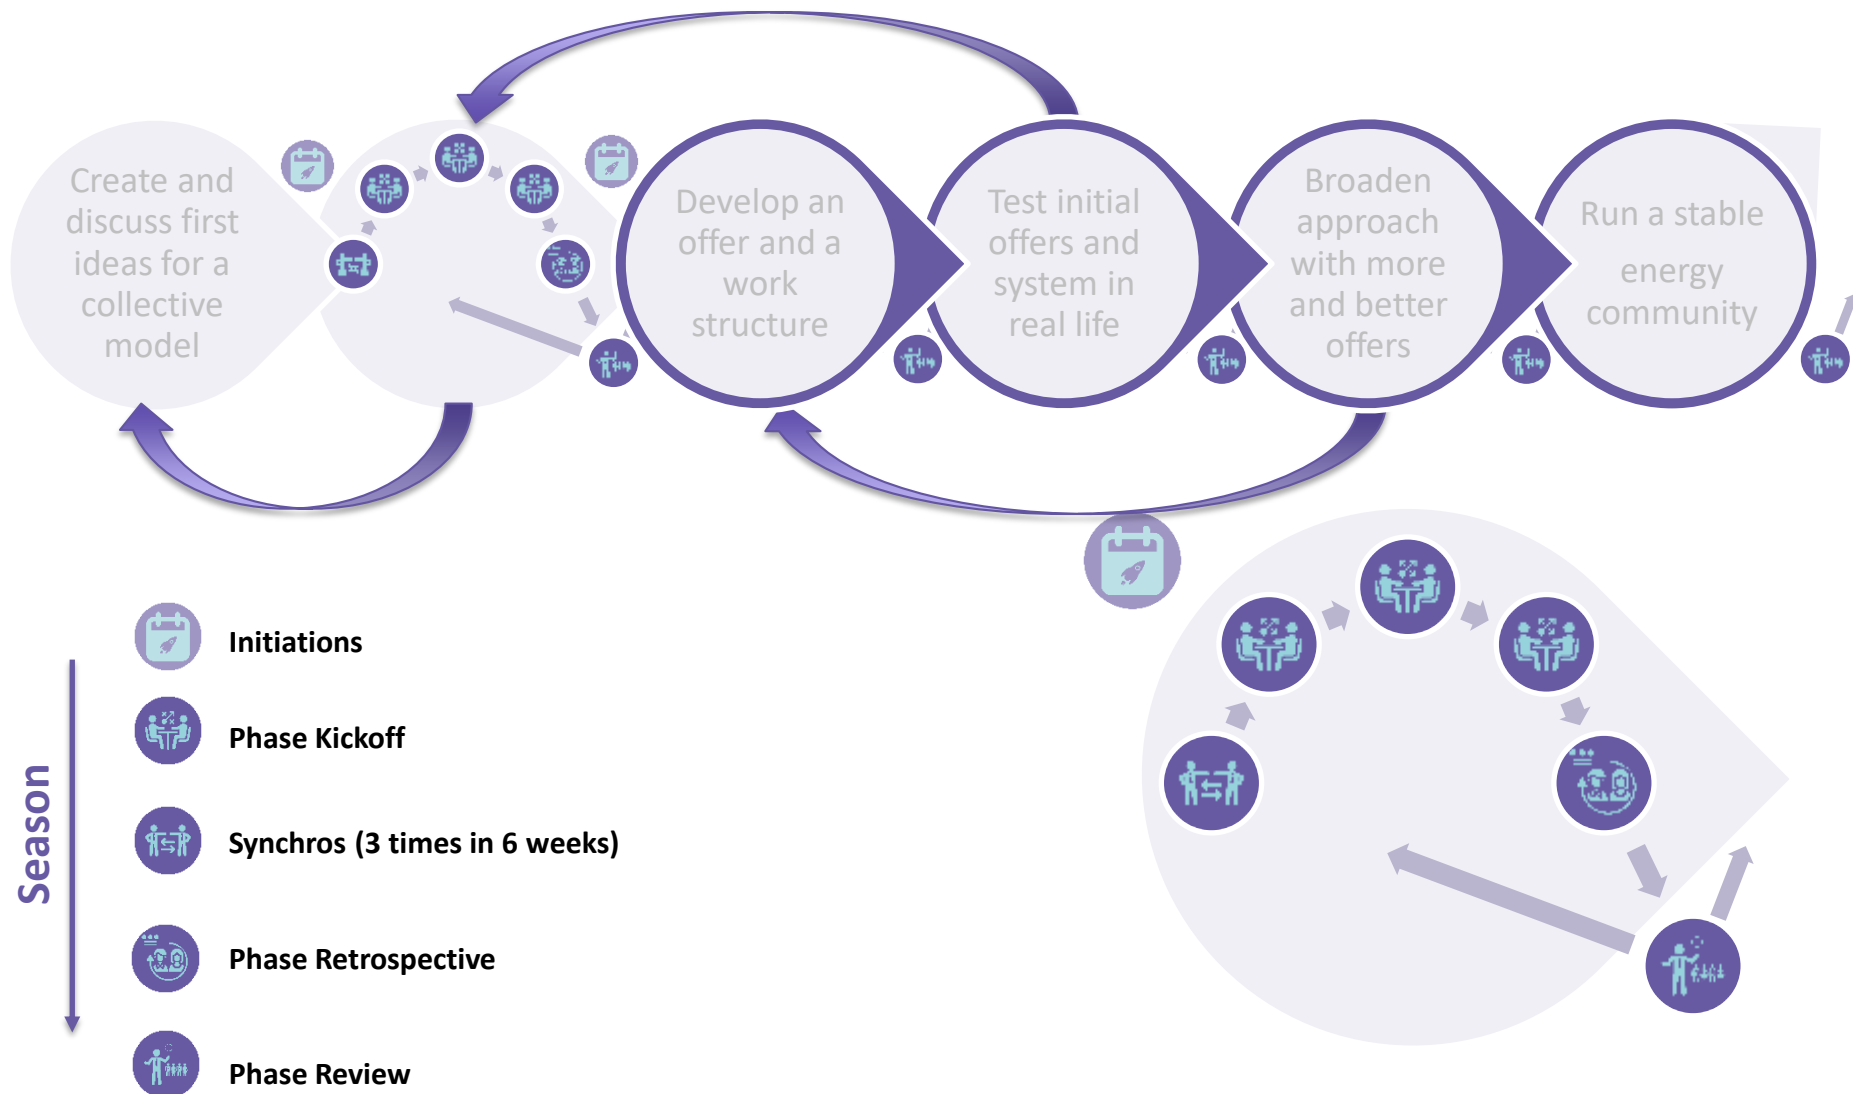

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 894255. The sole responsibility for the content of this document lies with the DECIDE project and does not necessarily reflect the opinion of the European Union.

DECIDE at its core

What happens in the Coffee Shop?

To facilitate information and knowledge exchange

DECIDE Knowledge HUB, a gateway to useful resources and inspiring examples for all stages of development of Energy Communities and collective energy action.

Develop an articulated **capacity building programme** which leverage on the DECIDE partnership expertise and network to share the results of our project, collect feedback and give visibility to existing initiatives

What did we learn?

- Break down complex concepts in small pieces
- Be clear on who is your audience to deliver messages that are relevant to them
- Language makes the difference – national language and vocabulary
- Practical examples helps in making the discussion more concrete
- It is important to have sufficient time for discussion
- Keep it simple and structured
- Adapt a good system to the needs and preferences of the participants
